Dear Parent/Guardian:

Romeo and Juliet by William Shakespeare is story about two young people who fall in love. However, just as quickly as their love story begins...it comes to an abrupt end. Romeo Montague falls in love with Juliet Capulet after seeing her at a ball at the Capulet house. They decide to get married right away and are secretly wed by Friar Laurence who hopes to reconcile their two feuding houses. Romeo is exiled after being unjustly accused of the murder of Mercutio. During a miscommunication, the two lovers make the ultimate sacrifice after receiving word that the other was dead.

Essential Questions

- Are we in charge of our destiny?
- Whose needs matter more: self of society?
- Does passion/love help or hurt us?
